

## **Dan Duquette Sports Academy Ropes Course & Team Building Activities**

The Dan Duquette Sports Academy has partnered with Absolutely Experiential to build a Low Ropes Course onsite and to offer team building skills and activities. Participants work together to go beyond their perceived boundaries, overcome obstacles and experience success in a variety of problem-solving initiatives and ropes course elements.

Experienced Staff facilitators from Absolutely Experiential will help participants relate their activities on the course to their everyday life, school and work events. Anyone can participate and no special skills are required.

Half-day, Full-day and Multi-day programs are available.

Ropes elements include: Nitro Crossing, King's Ring, Spiders Web, Wild Woozey, Mohawk Walk, Trust Fall, Team Wall, Whale Watch, Hole in One and TP Shuffle.

Contact Camp Director Kent Qualls at 617-645-1257 for pricing, details and to reserve space for your group today!

## Public & Private School Programs:

### Adventures in Experiential Learning

Our experiential programs for schools are based on the concept that people learn best through doing. Whether we're working with students, faculty, or administration, we design all of our programs to be fun and engaging while meeting specific goals developed to meet your school's needs.

If you're looking for a program to help guide the direction of your school AE can help with Programs for:

- Student Group Programming
- Social Skills
- Peer Leadership Training
- Peer Mediation
- Bullying

## Corporate Training Programs:

We bring the resources, expertise and outside perspective to help corporations identify and achieve organizational goals.

Our approach of customizing our services to our clients needs means that one of our program directors will work with you directly to assess your needs and develop clear, practical goals.

Each curriculum is carefully designed to meet these goals using experiential activities that are fun, engaging, and memorable.
